

SUBSCRIBE TO UNDERSTANDING FAITH TODAY!

COMPREHENSIVE ONLINE RELIGIOUS EDUCATION

Understanding Faith is the only comprehensive online religious education resource of its type. It uses modern and up-to-date approaches to Religious Education which ensures your students are expertly supported in their educational faith experience.

MATCHES YOUR CURRICULUM

A subscription to Understanding Faith will give your school access to the widest range of resources that are 100% secure and can be matched exactly to your curriculum.

ENGAGING

Understanding Faith is engaging. The multimedia approach connects students to their learning through a variety of formats including songs, videos, podcasts, slideshows, and interactive activities. It is tailored to all levels in primary and secondary schools to foster faith and spirituality. It beats the textbook approach – every time!

TRUSTED AND SECURE

The end result is you have an online resource that is trusted by educators nationwide. Understanding Faith has over 770 campuses accessing the resource every day.

WHAT WE OFFER

- ✓ New and proven teaching strategies which maximise student engagement.
- ✓ Over 7,550 interactive and multimedia activities in secondary and 5,110 in primary which enhance student engagement and learning.
- ✓ An advanced search tool and curriculum mapping service which helps you to find exactly what you are looking for.
- ✓ Assistance from a dedicated technical and educational support team.

“Understanding Faith is a fantastic contemporary resource for religion teachers and will not only support student learning but also grow the teacher’s knowledge.”

HEAD OF RELIGIOUS EDUCATION
Iona College

SECONDARY

“A fabulous resource for teachers. The units are engaging, informative and designed for the appropriate level. The children love the animations, and the staff appreciate the explanations and detail in the units.”
